Cyber security threats and the Board of today

Dr Kerry Beynon

- **Partner, Commercial Team**
- **M: 07786 412 955**
- **E: kbeynon@hcrlaw.com**

What do we mean by cyber security?

- Technical measures
- Organisational measures
- Physical measures
- Culture

So what?

- Understand risks
- Be assured that reasonable measures –v- risk are in place
- Be assured about “accountability”

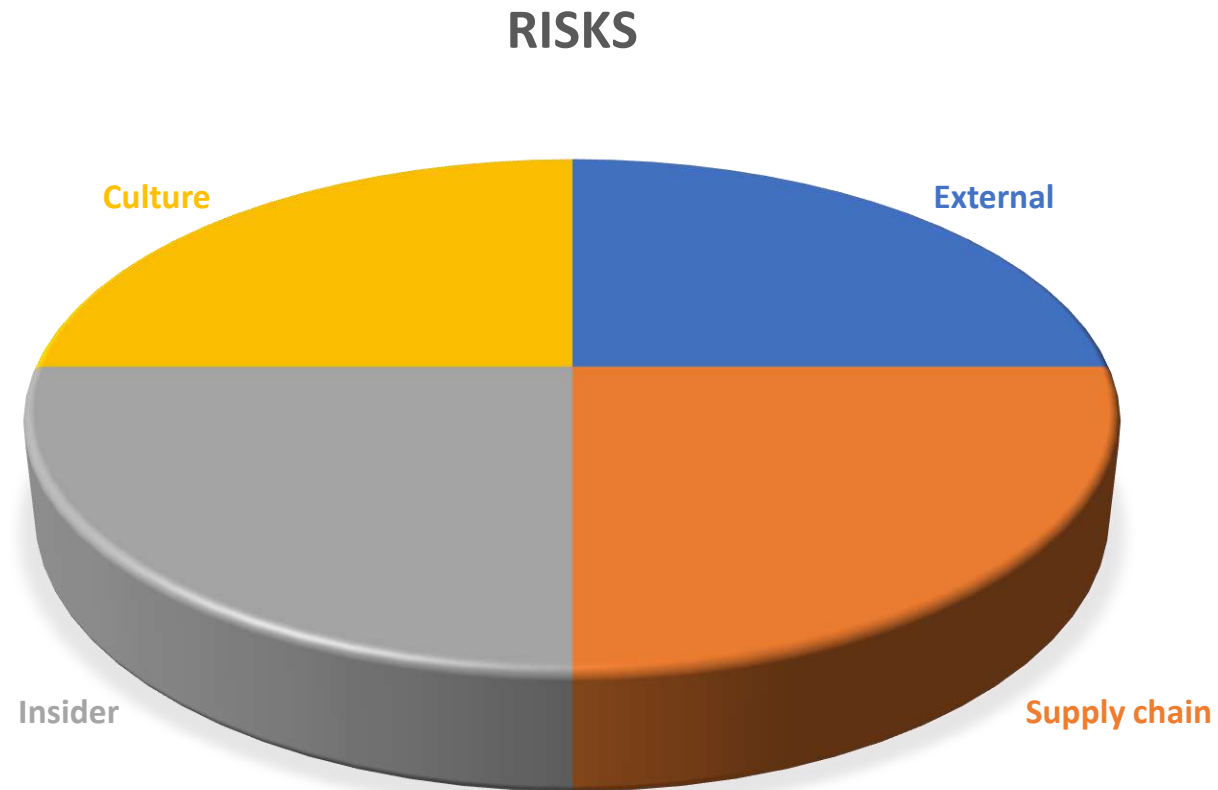

So what?

- Risk appetite
- Contracts reflect the risk appetite & law

So what?

- Board champion
- Culture
- Insurance etc

Risk – organisation specific

Assurance?

- External assurance
 - certifications and standards
 - audit
- Internal assurance
 - tested procedures / processes
 - audit
 - culture

Can you prove it?

- Minutes
- Emails
- Documents
- Logs
- Audits

Investing for a bright future

- Thank you for your support
